

# Pennsylvania Harvest of the Month Program

The Pennsylvania Department of Education, Division of Food and Nutrition in collaboration with Penn State (Project PA) will be introducing a Pennsylvania Harvest of the Month Program for school year 2020/21. A calendar of PA-produced items was developed through conversations with produce suppliers and school food service directors. Promotional materials including posters, fact sheets, newsletters, and signage will be available for use in promoting the Harvest of the Month items.

Month	Item
January	Sweet Potatoes
February	Mushrooms
March	Dairy
April	Leafy Greens
May	Asparagus
June	Strawberries
July	Beets
August	Tomatoes
September	Peppers
October	Apples
November	Winter Squash
December	Cabbage

***Alternate items: Potatoes, Eggs, Broccoli***

The program will be introduced through a webinar in spring 2020, at the School Nutrition Association (SNAPA) conference in the summer of 2020, and at SNAPA regional training sessions in 2020/21.

Materials will be available to download from the PA Harvest of the Month website (coming soon).
